

*I can think in Spanish and speak
in English.*

I know twice as many words.

*I can read and write in two
languages.*

I understand two cultures.

I can enjoy twice as many friends.

My world is twice as wide.

*I will take advantage of this
and discover my own path.*

*I will have faith in myself and
put all my efforts into school.*

I am unique and I can do it!

¡Soy Unica! ¡Soy Latina!
